Dear Child Care Provider,

This letter is in regards to the 9/5/14 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(1) Conditions in the home are safe, sanitary, and free of hazards.

☐ 110.5(1)e All accessible electrical outlets are safely capped. *As we discussed on 9/5/14 you did not have outlet covers on one outlet in your kitchen and one outlet in your bathroom. You agreed to follow up with covering all outlets with covers.*

110.5(8) Children's Files

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance. *As we discussed on 9/5/14, one of the files did not have a physical for a preschooler in your care. You need an admission physical examination as stated above and then a statement of health signed by a physician submitted annually for infants and preschoolers. You agreed to obtain the physical form.*

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been**

completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.
